WEDDING CEREMONIES

The traditional Polynesian wedding has many symbolic and ancestral meanings that we intend to share in our ceremonies.

The Tahu'a, priest of the ceremony, unites the couple and blesses this union by calling the Polynesian spirits and transmits their Mana, a protective force coming from the heart, the oceans, the nature.

Our traditional ceremonies are based on the ancestral rites of the Tahitian royal wedding traditions.

In this notebook, we suggest you to celebrate your love and create unforgettable memories with the ceremony that will suit you the best, from an intimate union to a prestigious Polynesian wedding.
